Order form for the English Circular

It is our pleasure to send you the circular, as a gift of love!

Because the production of our material requires a large amount of work we would ask that you not order them simply out of curiosity but rather when you sense willingness for change and a readiness to work with the sermons.

We greatly encourage sowing this message, therefore we allow our material to be copied. However, we ask that not just single paragraphs or pages be copied, but rather entire chapters so that the statements can be understood within the context in which they were intended. Please feel free to order at any time according to your need.

Please fill in all the spaces shown below.
